who inhabited England from the 5th century. They comprised people from Germanic tribes who migrated to the island from continental Europe, their descendants, and indigenous British groups who adopted many aspects of Anglo-Saxon culture and language. The Anglo-Saxons established the Kingdom of England, and the modern English language owes almost half of ...

Anglo-Saxons - Wikipedia

The Anglosphere is a group of English-speaking nations that share common cultural and historical ties to the United Kingdom, and which today maintain close political, diplomatic and military cooperation. While the nations included in different sources vary, the Anglosphere is usually not considered to include all countries where English is an official language, so it is not synonymous with ...
